

WHAT CATARRH IS

It has been said that every third person is troubled with catarrh in some form. Science has shown that nasal catarrh indicates a weakened condition of the body; that the secretion of the mucous membranes are quickly affected, and local treatments in the form of snuffs and vapors do little, if any good. To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building- tonic, free from alcohol or any harmful drugs. Try it. Scott & Bowne, Bloomfield, N. J.

Burglary in Madill.

Bold, barefoot burglars burgled while Madill sleeps. At least we suppose they were barefoot, for a number of pairs of shoes were missing from the Pace store when Mr. Pace opened for business Thursday morning and found that uninvited guests had entered his place of business, for about the 'steenth time this winter. Officers think they will land the burglars, as they did in the case of the burglaries several months ago.

Demands Commission Form.

If we have been correctly informed the taxpayers of Madill were assured when they consented for Madill to become a "city of the first class" that we would have the commission form of government. It seems that this promise, this

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

To the Rescue in Blood Diseases

Just the Help Needed to Overcome Worst Troubles.

In S. S. S., the famous blood purifier, is an antidote for germs, that once let loose, multiply so fast that a definite disease is apparent over night. And yet so powerful is the influence of S. S. S. that like a vast army it spreads all through the blood, checks disease, opens up all the valves of escape and throws out disease through the lungs, kidneys, bladder, bowels and skin.

Do not become frantic stricken if a rash of boils or eruptions inflame the skin. Nature is doing her best but Nature is at the same time calling for help, and in S. S. S. is just the kind of help Nature demands, for it is a pure vegetable remedy with an action that vigorously follows the blood channels and cleans and repairs as it goes along. In every community are people who know this to be true. They have used S. S. S. and are proud clean, through and through.

Get a bottle of S. S. S. today at any drug store. Drive out those destructive germs that cause skin eruptions, sore throat, swollen glands, blood rashes, painful rheumatic joints, chronic bronchitis, and most all conditions of disease. Read the folder around the bottle that tells about the great work being done to assist sufferers. If you would know more about the blood and its treatment, write for special book to The Swift Specific Co., 52 Swift Bldg., Atlanta, Ga.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

TULSA IN DANGER OF GAS EXPLOSION

Tulsa, Okla., Feb. 28.—That Tulsa is in imminent danger of a gas explosion due to the escape of gas from pipes that have rusted out through long and constant use and only by a miracle has so far escaped such a catastrophe, was the startling assertion made to the city commission by W. H. Bagley, manager of the Osage-Oklahoma Gas company. Mr. Bagley cited several instances to prove his contention.

During the next few weeks the Osage-Oklahoma company will make a thorough inspection of the gas situation in this city for the purpose of rendering the situation as regards the public more safe. The city will join in this inspection through its plumbing department. It is probable that the ordinance regulating safety in plumbing already installed will be amended so as to make it more rigid.
